5X1 (36) [] LIAISON Called Dan Coulson, Legislative Counsel, FBI, regarding my request of approximately 10 days ago for two Bureau memoranda sent to the Agency in 1972. These had been requested by the House Permanent Select Committee on Intelligence in a letter from Tom Latimer, Committee Staff Director, to [] former Legislative Counsel, on 17 January. I had asked Coulson to try to locate them after we had been unable to find them here. Coulson informed me that the Bureau had searched as well and was also unable to locate the documents.

37 [redacted] LIAISON Called Loch Johnson, House Permanent Select Committee on Intelligence staff, to inform him that the Agency and FBI search for the two FBI memoranda requested by Tom Latimer, Committee Staff Director, for him was unsuccessful. I told Johnson that if he could provide me the exact subject line of the memoranda, we could try to find it but without it we are stymied. Johnson said he would try to get this additional information but was skeptical. He indicated the memoranda were not critical to the Committee's needs. I asked if we needed to respond formally to Mr. Latimer by letter and he said no as he would take care of it with Latimer.
